

Welcome to the 2025 Regional Inventors Fair

The Edison Fairs Board of Directors is excited to invite you and your students to the 2025 Thomas Edison Festival of Lights Regional Inventors Fair (""). Both Fairs are a celebration of scientific discovery, creativity and the spirit of invention that embodies the legacy of the great American scientist, inventor and entrepreneur, Thomas Edison.

Through Edison Fairs, student participants compete for prizes, scholarships, and special awards across local, regional, state, and international levels of competition. Together, we can spark innovation and celebrate the brilliance of our students.

Regional Inventors Fair Schedule

- Students Regional Fair Registration Submission Deadline: Thursday 1/16
- Virtual (On-line) Judging Friday 1/17- 1/24
- In-Person Regional Fair Set up Time & Location TBD Friday 1/31
- In-Person Judging Time and location TBD Saturday 2/1
- Inventors Awards Program Edison Park Elementary Tuesday 2/4

As parents and educators, your support and encouragement are crucial in fostering a love for science, technology, engineering, and mathematics (STEM) in our students.

We thank you for considering coordinating or participating in a school level competition and motivating your students to participate in this exciting event and be part of a community that celebrates creativity and innovation.

The Invention Process will strengthen K-12 student's ability to:

- Identify issues, set clear goals for a solution, then creatively develop a product that can meet those goals.
- Develop attitudes associated with persistence, problem-solving, and a growth mindset
- Understand concepts associated with entrepreneurship
- Practice communication verbally and visually
